

## ***THE 1000 STORIES PROJECT***

Providing books for children 3 months to 5 years from disadvantaged and refugee backgrounds in the Ascot Vale, Flemington & Kensington area, through Maternal & Child Health Nurse visits.

For many of these children, books in the home are rare; and results in them starting school without the recommended *1,000 Books before school* or 5,000 word vocabulary identified as a necessary learning base.

**Can you help us with good condition used books?**

Labelled books may be dropped off at one of our Op Shops:  
444 Racecourse Road Flemington or  
135 Railway Avenue Werribee or call for pick up
