

Note: The following items are used and have been donated to Rotary. They have very limited or no value in Australia. An estimate of the market value has been included and has been determined through discussions between Rotarians.

No.	Equipment	Type	No. Of items	Unit Cost	Total	Remarks
1.	Computers; Desktop Laptop	Second hand Second hand	20 5	\$20 \$40	\$400 \$200	These are all originally donated. The cost is for the new Microsoft Operating Systems, replacement parts and checking by the Rotary Member's Computer Group.
2.	Computer Printers and computer cabling	Second hand	2	\$0-5	\$10	Second hand (donated). Very little retail value.
3.	Playground equipment	Used	8*		\$0	This is fully donated by Greater Geelong Council. It would cost council considerable more to have it dismantled and transported to a scrap metal dealer than its actual scrap value. It is illegal for this equipment to be reused in Australia as the safety regulations have changed. Hence, no value. * The playground mainly consist of one large interconnected unit. In addition, there is a much smaller interconnected unit for young children, two sets of swings, a 'flying fox' and three small rocking units. See photographs and plan.
4.	Library Shelving	Used	45 feet (15 metre)		\$200	All donated
5.	Bicycles	Used	40	\$10-15	\$400	All donated
6.	Sewing Machines	Used	15	\$20- 35	\$300	All donated
7.	Stacking chairs	Used	200	\$0-5	\$300	All donated
